Great care is taken in producing three generations of family recipes. Using local Ontario sourced produce whenever possible, each kettle of preserves is handmade from recipes of Catherine's, her mothers, or grandmothers.

Catherine's has the passion, quality, and the real recipes to produce a delicious appetizer or accompaniment to your meal, making any gathering a real occasion.

Item #: 23409
326ml

Danish Selection offers a unique, soft, set of fruit spreads available in glass jars with “easy open” BPA free lids.

Their range of fruit spreads are produced without boiling, ensuring that a large content of whole fruits and berries are found in each jar.

Danish Selection spreads contain a low level of sugar – approximately 40% - which gives a great balanced taste!
