SIR KENSINGTON'S

The DIVINE ALTERNATIVE

↔ Non-GMO ↔

Sir Kensington's only uses high-quality, all-natural ingredients, and all of their products are Non-GMO Project Verified.

Their ketchup is lower in sodium, never using high fructose corn syrup—making theirs a healthy, flavourful alternative to the competition

The Mayonnaises are made with cage free eggs.

The Ojai Cook[®] Lemonaise

LEMONAISE is all natural, with no preservatives, and is made from only the highest quality of ingredients like pure expeller pressed canola oil and the finest herbs and spices. Additionally, there is real health-conscious appeal with some of the individual product features including low or no: cholesterol, carbohydrates, or sodium; no trans fats; gluten free; and most flavours are unsweetened.

LEMONAISE awakens the taste buds and will invigorate and energize any food or recipe calling for mayonnaise.
