# DIVINA®

From the Island of Crete, in Southern Mediterranean, land of legendary King Minos, comes this unique Extra Virgin Olive Oil. On the hill slopes of the Kissamos region, in Northwest Crete, lie the olive groves of the Renieris Estate. Here the Renieris family grows, crushes, and bottles this exceptional olive oil. Savour this unique oil's bouquet and harmonious flavour with hints of artichoke and arugala.

Fruity character, peppery quality reminiscent of arugula, luxurious & affordable.

- Non-GMO
- Expeller pressed without the use of hexane
- Convenient, easy pour packaging

The key to great EVOO is the time from harvest to crush.

Olivista California Extra Virgin Olive Oil is pressed within mere hours of harvesting! The result is a vibrant and distinct olive oil. Grown, pressed and bottles 100% in California.

**Classic** - Harmonious & fresh, delicate, sweet with a buttery texture.

**Arbequina** - Sweet & fragrant, aromas of grass, fresh artichoke and a velvety texture.
