Handcrafted Cheeses

- Pine River Cheese & Butter Co-operative is based out of Ontario and has been making quality artisanal cheeses since 1885.
- They've built a reputation for their unique brand of high quality aged Cheddars.
- Pine River introduces their line of Organic Cheeses produced with 100% pasteurized **organic** cow's milk.
- These cheeses have a delicate and mellow taste that blends nicely with a variety of flavours like Tomato Basil & Caramelized Onion.
- Unique varieties like Craft Beer Cheese Puck and Cheese Fudge are great for special occasions!
