- Meet Walter, Canada's first premium, all-natural craft Caesar mix.
- Walter is made with 100% all-natural ingredients, and contains no MSG, artificial colours or flavours and no high fructose corn syrup.
- Small batch production, Proudly made in Canada with real clam juice from the North Atlantic.
- Visibly thicker than the "other guys" product – showcasing real tomatoes, peppercorns, grated horseradish & a unique spice blend.
- Walter Craft Caesar Rim is made with flaked salt, organic cane sugar, cracked black pepper, and select herbs and spices.
- Walter Vegan Caesar Mix uses dulse (edible seaweed) hand-harvested from the Bay of Fundy to impart a taste of the sea while being completely plant-based.
